BONAIRE

February 5th-12th, 2022

Join us as we experience the unspoiled natural divers paradise Bonaire truly has to offer. Accommodations include deluxe one bedroom condominiums with a full kitchen, spacious living room, cable TV and air conditioned bedroom with private terrace or balcony. The incredible flexibility of Bonaire's shore diving gives you the ultimate in convenience with access to world class dive sites just a few kicks away! Dive when you want, as you want, as many dives as you want! We have found almost no need to hassle with loading and unloading a crowded dive boat. Visit with friends at the pool bar in one of the two freshwater pools or dine at one of Bonaire's casual waterfront restaurants.
