“TOP 5 DIVE DESTINATION IN THE WORLD”

With rugged pinnacles, dramatic drop-offs and abyss depths, Dominica’s waters are a paradise for divers and water adventurers. The island has long been a treasured top 5 dive destination in the world and Fort Young, with its full-service dive center and landmark location along the shores of the Caribbean Sea, has played host to dive travelers from around the world for more than a decade.

Dominica is home to nearly 250 resident sperm whales, with year-round whale watching and in-water swimming with the whales by special government permit.

Where city, reef and rainforest converge, Fort Young Hotel & Dive Resort is a full-service, 4-star hotel on the Caribbean Sea that blends heritage charm with contemporary comfort from it’s historical landmark waterfront location in the capital.

Enjoy modern accommodations, dining, spa, pool, jacuzzi, gym, art, entertainment, meetings and shopping, plus unrivaled access to the neighboring French Quarter, bustling markets, rainforest trails, waterfall hikes, hot springs, world-class snorkeling & scuba diving.
